

### ***Intensive Family Services Professional***

**Category:**

**Location:** Hot Springs, Arkansas

**Description:**

IFS Mental Health Professional will provide therapeutic and intervention services to families referred by Department of Children and Family Services (DCFS) whose children are in imminent risk of an out of home placement, but may include, under certain circumstances, families who have already experienced an out of home placement and reunification is planned. IFS MHP will provide services that are aimed at ensuring the safety of all family members while helping the family learn how to stay together successfully. Services are accessible and delivered in the family's home or a natural environment. Services will be on average of 6 weeks for each family and caseloads will be 2-4 families per treatment team. Services will be provided to families in their homes during hours that fit into a realistic daily routine where problems most likely to occur (e.g. daytime, evenings and weekends). Counties covered will be Garland and 4 other surrounding counties. MHP will be required to attend DCFS staffing and court if needed. Some travel required. Applicant must be a licensed LCSW, LMSW, LPC, LAC or LPE . Experience with DHS, crisis intervention and parenting education preferred. Benefits include: Flexible hours, competitive salary, health insurance, dental and vision, generous Paid time off, employer paid life insurance and 401(k) contributions, and paid travel. Please submit resume to [HRdept@hscs.org](mailto:HRdept@hscs.org)
